to interest Sir Charles Colcland, who is a Scotsman but believes that Partition must go.

how we have had several thousand letters in the nature of handbills which we intend distributing around Glasgow. I am enclosing one to let you see the idea. We are sending an official receipt of membership to each contributor. We have had envelopes printed with PARTITION IN IRELAND MUST GO They cost us about 1/2 per 100 and we are selling them at 6 per pct. of 30 envelopes.

It is intended to have several demonstrations (if necessary) from time to time & to enrol every sympathiser & ~~try~~ thus attempt to control the Irish vote should this General Election materialise. Local districts councils would be formed & working committee on each, all working under a central executive.

how I have given you all in a nutshell & I hope that we may be able to help one another in this last mighty effort for the cause of Roisin Dubh. I shall be pleased

I would
to hear of the success of the movement in London. I will send you cuttings of our demonstration & would be glad if you could arrange to send a telegram to the meeting London sends 'ficial greetings' or something to that effect. I will let you know when & where before then. In the meantime convey to your executive best wishes for success & a speedy decision for the abolition of Partition.

My best personal wishes to you for a happy festive season & a bright & prosperous new year.

Yours
